DECISION

This decision is in response to applicants' facsimile submission on 18 July 2005.

**BACKGROUND**

On 08 January 2004, applicant filed international application PCT/FR04/00021. A copy of the international application was transmitted to the Office on 26 August 2004. The deadline for entry into the national stage in the United States was 13 July 2005.

On 18 July 2005, applicant submitted a letter, by facsimile, requesting information concerning the Office's address and fees and claiming to have submitted two prior submissions by mail to the Office to a DC address. Applicant claims that one package was returned and the whereabouts of the other are unknown.

**DISCUSSION**

Preliminarily, the address of the United States Patent and Trademark Office is the one listed on this letterhead. Submissions regarding Patent Cooperation Treaty filings should include the line "Mail Stop PCT" in their address, as follows: Mail Stop PCT, Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450. The address changed effective 01 May 2003.

The application became abandoned on 13 July 2005 for failure to timely submit the basic national fee. Enclosed is the form for a petition to revive for unintentional delay. The petition fee for a small entity is \$750, or \$1500 for a large entity. Additionally, the current fees and a transmittal letter for entry into the National Phase in the United States are also enclosed.

**CONCLUSION**

This application is **ABANDONED**.

If reconsideration on the merits of this petition is desired, a proper response must be filed within TWO (2) MONTHS from the mail date of this decision. Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.181."

Any further correspondence with respect to this matter should be addressed to the Mail Stop PCT, Commissioner for Patents, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, Virginia 22313-1450, with the contents of the letter marked to the attention of the Office of PCT Legal Administration.
